Booking Conditions – courses

Welcome to the program. At Go Dive Brisbane we regard a booking as a firm commitment from both you and Go Dive Brisbane. Your booking on this course is subject to the following conditions...

Start today! Please pick up your text books and complete all required knowledge reviews before your starting date.

All courses need divers to fill out Medical Questionnaire prior to start.

No Flying is allowed for 12 – 24 hours after diving in Pool or Ocean. If you have a concern ask Instructor to work out a plan for you
YOU HAVE 12 MONTHS FROM THE COURSE BOOKING DATE TO COMPLETE YOUR COURSE

Please be clear on our Cancellation and Refund Policy

Cancellation or Transfers with more than 7 days notice... \$50

Cancellation (or transfer of course starting dates) inside last 7 days of start... \$150

100% cancellation fee applies within 5 days of course start Date.

The destination of Dives can be changed without warning Due to Acts of Mother Nature or scheduling problems.

All students must complete a medical questionnaire prior to starting a course.

If a student submits a medical questionnaire indicating a "YES" response to one or more of the questions, they must complete a diving medical by a qualified doctor.

Students will be refused to commence their course if the medical questionnaire has not been submitted or have failed their dive medical. This will incur transfer fees or loss of course fees.

Please take a copy of these conditions. Exceptions cannot be made. Policy is accepted by booking a course and/or signing the booking sheet.

Not Finishing Sections of Training Course Policy

If you don't complete any section of the course, a cost will be charged to make up that part or parts of the program. This could include the following as examples; sickness, missing departure times, need more practice, fear, seasickness on dive boats, turning up affected by alcohol or drugs. The cost varies e.g. 2 boat dives including Gear Hire is \$219. **Customers Signature:** _____

Why do we have this policy?

Booking with Go Dive Brisbane is a firm commitment. When you make a reservation on a program, administrative costs are incurred and bookings are made with boats and instructors. Spaces on all programs are very limited. Go Dive Brisbane will hold the reservation for you and turn away others who would like to book onto your place. With any late transfers of dates or cancellations, it is unlikely your reservation can be re-sold. Cancellations mid-course are not eligible for partial refunds as Go Dive Brisbane has paid boats and instructors for the course and is unable to refill your vacancy at short notice. **Customers Signature:** _____

Open Water Courses

It is a Qld Workplace Health & Safety recommendation that each student have their own personal items due to the hygiene issues associated with sharing equipment. Occasionally students bring unsuitable gear for scuba diving. In this case it would be irresponsible for Go Dive Brisbane to allow training to take place in equipment that is considered inappropriate on the grounds of safety. All full foot fins are too small in blade area to propel a fully equipped diver into a current underwater. Silitex masks often leak to the point of distraction underwater. Should your equipment prove to be unsuitable or unsafe, you will be required to organise other equipment. Go Dive's recommendation is to wait until learning about snorkelling equipment during the course to avoid purchasing incorrectly. There is time during day 1 to make any necessary purchases for your course. Your safety is our concern but your responsibility, good quality dive equipment keeps you safe and alive. Come into our dive centre and have a full time professional Instructor talk you through the proper equipment to support your safety and comfort underwater. Don't take chances on cheap equipment because it will fail you when you most need it. (10% discount is offered to course students for this reason. Go Dive Brisbane also offers you a 100% fitting guarantee for any equipment purchase) **Customers Signature:** _____

PADI Courses: Continuing education programs all require you to have pre-requisites.

Ask staff for all your course requirements.
